I've spoken with Chief Harry Bakema, East St. Paul. He relates that Cst. Harvey-Zenk did not discuss anything with them regarding the fatal MVC last week.

This morning, Chief Ewatski related that on Thursday evening Harvey-Zenk may have been at a party at the home of Cst. Sean Black. Apparently, Cst. Black lives in the Bird's Hill area.

05-02-01 - 00:50 Tuesday

I visited Independent Council, Windy, about
and advised him of the general situation
concerning the case of establishing a power
banking holiday for the weekend on the
first week of Friday, or next.

I advised I believe that Bill is concerned that
a party check place that might prove to
be a precedent and that discussion on the
first day shows a reluctance on the part
of First St Paul to be involved in
the following that appears to be required.

Alamy advises that he has not done a copy
of the report as yet but feels that once
refused he is going to want to know
where the report was and what he was
doing if there is any possibility of becoming
details to assist in the prosecution. He
relates that if that is not addressed
the report he would be sending correspondence
back to ensure it was looked at.

I believe that that Bill was not a meeting
with him as how to I recall that
yesterday the W's learned that there
appears to have been a shift party
at another members home the night

before and that Henry took had been there
 that we were about 1000 feet out with
 he was out who he was with but that
 who also succeeded in the ground quest.
 To his own field to Bohemia and the whole
 one decision that should be the people to
 follow up.

We were also advised that 2 signs were
 from 83 west to just to the 1st 1/2 way on
 a 5th floor.

Advised Marty that Bohemia was around
 there and gave his blessing to interview. He would
 be updated and was and to be advised Bohemia
 that I would be contacting Marty today
 for direction of knowledge of Bohemia
 history comes first.

With the complete follow up, Marty advises
 that it has to be done!! Bohemia people
 are 7500. If he has no resources then
 should ask for help. WPS willing to help you
 either, what, who, how much, amount?
 I and had investigator in 800. Roger found
 when that Henry Bohemia should finally
 request assistance before proceeding.

Marty advises by advice that I will
 contact Sgt Scott and have correspondence
 take place to be a discussion made.
