PARTICULARS OF OFFENCE(S) (Include any "et als", additional charges)  
 DETAILS DU (DES) DELIT(S) (Inclure tout complice et autres accusations)

On February 25, 2005 at approximately 07:10 hrs. Police were dispatched to a three vehicle collision at the Intersection of Highway 59 and Highway 101. Investigation revealed that the accused was southbound in the median lane on Hwy 59 approaching the lights at the intersection. There were two vehicles in the southbound median lane that were stopped for the traffic lights at this intersection. According to a witness the accused vehicle did not slow down as he approached the intersection. The accused then collided with the rear of a 1991 Chevrolet Sprint convertible. The impact propelled the Chevrolet into the rear of a 2000 Hyundai Accent and sending that vehicle across the intersection narrowly missing a power pole. The 40 year old female driver of the Chevrolet Sprint was transported to Concordia Hospital where she was pronounced dead. The 52 year old driver of the Hyundai was transported to Concordia Hospital where she was treated and released. At 0812 hrs. the accused was transported to the East St. Paul Police Department where he was subsequently arrested for impaired Driving causing Death. The accused was also given an opportunity to speak with legal counsel. The accused refused to provide police with a breath sample upon demand. The accused was also subsequently charged with Dangerous operation of a motor vehicle causing death and Criminal negligence causing death..
