Dear Assistant Commissioner Madill:

Re: Derek Harveymordenzenk – East St. Paul Police File #2005-00568
Manitoba Justice File # PR2005MAR104256
Manitoba Court Docket # 008-10119

I am writing to request an investigation by the RCMP into circumstances surrounding the conduct of this fatal motor vehicle accident investigation by the East St. Paul Police Service. In particular, the Department is concerned about the conduct of this motor vehicle fatality investigation by one Harry Bakema who at the time of the accident was the Chief of the East St. Paul Police and whether his conduct of this investigation presents potential grounds for charges under the Criminal Code.

The Department has referred this file to outside Crown Counsel, Martin Minuk of Aikins, MacAulay and Thorvaldson for opinion. Mr. Minuk can be contacted for the file details at 957-4697.

I would appreciate being advised when this request has been assigned to Criminal Operations and when the department can expect contact between your investigators and Mr. Minuk.
