I write to inform you that Chief Judge Wyant has informed counsel of his desire to hear further submissions on sentencing.

As you may recall from the court discussions, the case was adjourned to Wednesday, September 5, 2007 at 9:00 a.m. in Courtroom 119 pending further advice from the court. The court has informed counsel that the requested further submissions are to be made on **Wednesday, September 12, 2007 at 9:00 a.m. in Courtroom 230**, in the old part of the Law Courts Complex.

I expect the specific date for the imposition of the sentence to be fixed on September 12th.

Yours truly,

Per:
